

2020 Diocese of Belleville Catholic Religious Award Sessions

The Belleville Diocese Chapter of the National Catholic Committee on Scouting is proud to offer classes for the following Catholic Youth Awards for Scouts USA:

NOTE: Please accept our sincere apologies in advance as we fell victim to the same restrictions as everyone else during this past year with COVID-19 and were not able to conduct business as we would have liked. In an attempt to make up for "lost time" we are offering this class option for anyone who would like to take it (up to 50 participants). There WILL BE other options later in the year for all of the awards to be scheduled in the short term. More information to come... God's blessings on all for your patience and perseverance during these trying times!!!

Anyone desiring to take the Pope Pius XII classes should reach out to Terry Grime @ terrya.grime@gmail.com or text (618)791-1227
